### KIMBER® INTRODUCES NEW 2019 PRODUCT LINE EVO SP – PREMIUM STRIKER-FIRED PISTOL

YONKERS, N.Y., November 12, 2018 — Kimber Mfg., Inc., a leading American firearms manufacturer, today announced the across the board expansion of all its product lines, with the addition of a completely new for 2019 Product Line, EVO SP™.

With a cutting edge yet functional design, Kimber's new EVO SP was designed to be the top of the line choice in subcompact concealed carry pistols. The striker-fired EVO SP is the ideal choice for shooters that demand a dependable, feature-packed, compact-size firearm with the benefits of all metal construction for reduced muzzle rise. The EVO SP CS (Custom Shop) boasts features like Stiplex front and rear cocking serrations, Stiplex front strap checkering, G10 Stiplex-inspired black and gray grips and backstrap, stainless steel slide and barrel feature FNC finish and matching frame cuts to accent the slide and overall appearance. Available in 4 different models, EVO SP Custom Shop, CDP, TLE, and Two-Tone are all chambered in 9mm.

The EVO SP family pricing is as follows: EVO SP (CS) MSRP \$1047, EVO SP (CDP) MSRP \$949, EVO SP (TLE) MSRP \$925, EVO SP (TWO-TONE) MSRP \$856.

**New for the K6s line of Revolvers, DASA.** Kimber's K6s DASA is the first double and single action trigger variant offered in Kimber's revolver lineup. While the platform maintains the benefits of the original K6s, double action trigger pull, compact envelope, six shot capacity, but now offering an option for those that prefer a single action trigger. The K6s DASA 3 Inch features a 3-inch barrel, smooth no stack double (9.5-10lb) and single (3-3.5lb) action trigger, white 3-dot sights, knurled hammer spur, serrated backstrap, and checkered laminate walnut grips. Available in 2 different models, DASA 3 inch and 2 inch, both chambered in .357 Magnum.

The K6s DASA family pricing is as follows: K6s DASA (2in) MSRP \$970 and K6s DASA (3in) MSRP \$970.

**The Micro 9™ group of pistols** put legendary Kimber dependability into a small 1911-like platform. 9mm power and simple operation make these pistols an ideal choice for many shooters. A wide variety of models are available, providing a selection of features that meet virtually any need.

For 2019, the Micro 9 welcomes three new models: two Exposed Slide Variant pistols—Micro 9 ESV (BLACK) with a black frame and slide with gold Titanium Nitride (TiN) coated barrel, Micro 9 ESV (GRAY) with a charcoal gray frame and slide with rose copper Titanium CarboNitride (TiCN) coated barrel, and a KHx

## For Immediate Release

model for the Micro 9 platform. Collectively, they are among the finest ultra-compact 9mm hammer-fired pistols anyone can carry.

The Micro 9 pricing is as follows: MICRO 9 ESV (BLACK) MSRP \$799, MICRO 9 ESV (GRAY) MSRP \$799, MICRO 9 (KHX) MSRP \$815.

With the addition of the K6s DAO, 2019 brings the addition of a TLE finish for the K6s in 2- and 3 inch barrels, and LG models for the DC and CDP K6s. The TLE models feature a Matte Black Finish, Tritium night sights, and green and black scalloped textured G10 three-finger grooved boot grips. For those who require a small package with mild recoil, K6s provides the power needed for concealed carry, home protection and many other applications. Best of all, the K6s revolver offers unequaled Kimber quality, dependability, and performance.

The K6s pricing is as follows: K6s DC (LG) MSRP \$1485, K6s CDP (LG) MSRP \$1510, K6s TLE 2in MSRP \$1020, K6s TLE 3in MSRP \$1020.

**Lastly, Kimber has added to their rifle lineup** with the Mountain Ascent, now available in the Subalpine pattern, and an additional caliber offering in the Hunter Boot Campaign. The Mountain Ascent family of rifles is the ultimate high-country mountain rifle. Weight shaving standard features such as carbon fiber reinforced stock, fluted barrel, spiral fluted bolt body & skeletonized bolt knob and extractor bring this lightweight champion in at a under 5 lbs. while still retaining Sub-MOA accuracy. The Mountain Ascent in Subalpine is now available in 308 Win, 280 Ack Imp, 30-06 Sprg, 300 WSM, 300 Win Mag, while the Hunter Boot Campaign has added 6.5 Creedmoor.

The Rifle pricing is as follows: Mountain Ascent (Subalpine) MSRP \$2082, Hunter (Kryptek® Highlander, Boot Campaign) MSRP \$1005.
